DAVANGERE MUNICIPALITY.

Notification dated 18th May 1929.

Notice is hereby given that the sealed tenders for the supply of charcoal required for the use of pumping station of Davangere Water Works, at Harihar, during the official year 1929-30, will be received in the Office of the President, Davangere Municipality up to the 10th June 1929.

2. The total quantity required is about 200 to 240 tons. Tenders should be sent giving the rates for each ton at which the charcoal will be supplied and they should be superscribed "Tenders for the supply of charcoal for the use of Pumping Station of Davangere Water Works, at Harihar," in default of which tenders will be rejected.

3. Earnest money of Rs. 300 which should be in cash or currency notes or by means of cheque on the Mysore Bank, at Davangere, should accompany the tender, without which tenders will not be considered.

4. The final acceptance of any tender will rest with the Municipal Council, Davangere, who do not bind themselves to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of acceptance of the tender, the successful competitor will be required to execute the usual contract bond on stamped paper, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

6. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the President's Office in due course. In case such successful competitor happens to be the resident of some other place other than the Davangere Town, the fact of acceptance of his tender will be intimated to him by post.

7. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be refunded on application.

9. During the first month, *viz.*, July a quantity of not less than 20 tons of charcoal should be supplied. During the other months of contract, a quantity of not less than 15 tons, but not more than 20 tons, in each month should be supplied. In case the contractor is required to supply more quantity in any one month, he is bound to do so.

10. The charcoal should be supplied at the store yard of the Pumping Station of the Davangere Water Works at Harihar, free of any transit charges.

11. The wood to be used for preparing charcoal should be of strong kind, *viz.*, Jali, Koppala, Devadaru, Chigari, Heddarani, Hunse or any other kind which might be accepted. The charcoal made out of soft wood or found to be of very small size or unburnt will be rejected or accepted at a reduced rate at the discretion of the officer who takes charge of the supply. If the size of the charcoal is found to be not satisfactory the contractor is bound to give delivery after separating such small pieces and dust with the help of sieve (ಜಾಲರಿ) made up of 1" wire mesh.

12. In case the contractor fails to abide by any one of the above conditions, his contract will be cancelled and the earnest money will be forfeited to the Municipality. He will also be liable to make good all the loss to the Municipality in getting their supplies elsewhere during the rest of the period.

S. ABDUL KHALAK,
President.
